IT STARTS WITH YOU!

4 Breakthrough Steps to Playing Bigger in Leadership, Business, and Life

PROGRAM DESCRIPTION

Leadership is not about you, but it starts with you! Therefore, if you ever want to be a great leader of others, you must first be a great leader of yourself! The best leaders have a high level of self-awareness, and they get results the right way. This highly interactive program has leaders explore the wake they leave, how their ego holds them back, and how their presence builds or erodes trust and connection in all their relationships. This program will challenge participants to look at themselves differently, and it will change how they lead and communicate in every part of their life.

PROGRAM OBJECTIVES

- Identify your authentic leadership wake
- Discuss the #1 trait that holds all leaders back
- Explain the core actions & impact associated with ego
- Demonstrate the impact your presence has on building trust
