IT STARTS WITH YOU!
4 Breakthrough Steps to Playing Bigger in Leadership, Business, and Life

VIRTUAL PROGRAM DESCRIPTION
If you are looking for a virtual program that helps future and current leaders develop their self-awareness and leadership potential then this program is where you should start! Justin will prove, through relevant examples and interactive exercises, that to be a great leader of others you must first be a great leader of yourself. He will teach four breakthrough lessons that learners can immediately apply in all parts of their lives to lead and communicate more effectively. Leaders will leave feeling empowered and understanding that “Leadership is not about you, but it starts with you!”

PROGRAM OBJECTIVES
• Discuss the three factors that make up a leader’s credibility
• Identify who they are at their best
• Highlight the #1 trait that holds all leaders back and erodes their credibility
• Explore how body language impacts their ability to connect
• Flex their body language to communicate with stronger impact

CLIENT TESTIMONIAL
"We needed a program that would bring energy, passion and insight. Justin did all of those things. Even our toughest critics were taking notes, laughing, and engaged in what Justin had to say."  
GAIL ZUREK, CEO of the Visalia Chamber of Commerce
