Virtual Program Description

Trust is your most important competitive advantage, and the best leaders use their presence to earn and keep others’ trust. Join leadership presence expert and award-winning author, Justin Patton, as he guides you through the four crucial elements of trust, the #1 trait that erodes trust, and how to apply those concepts in your life for better relationships and influence.

Program Objectives

- Understand how trust is your competitive advantage
- Discuss the costs of not having trust in your business and relationships
- Learn how to apply the four crucial elements of trust
- Identify the #1 trait that will erode trust

Client Testimonial
